Bike of the Month Winner Inside

Jason Brooke Takes the Win

Bike of the Month — April 2026

Jason Brooke's 2020 Triumph Rocket 3 GT is a true standout. Its aggressive stance, raw power, and undeniable road presence capture the essence of the open road. With 25+ years in the saddle, Jason embodies the spirit of the ride.

He's actively involved in charity rides like Hogs for Hospice and loves cruises along Lake St. Clair. His quote sums up why we all ride: **"Wind therapy is real... and non-riders will never understand."**
